What We Do

We work to raise awareness and help people prepare to achieve their dream of homeownership. Our success is measured in the number of people we can help with the quality of programs and services we provide. These programs are fueled by our dedicated Board Members, caring volunteers and generous donors like you.

At HREBA we stay active within the communities we serve. We intentionally provide resources to help educate, promote, and support home ownership. We have recruited the best speakers and presenters to provide quality education to our members! Our outreach volunteers are Real Estate Professionals who are industry licensed and are held in the upmost regard with ethical standards.

We launched PROJECT E.C.H.O. to help qualifying individuals increase credit scores along with one-on-one financial coaching. We know that creditworthiness is an essential part of good financial health.

In 2024 we launched HREBA Housing Counseling, a HUD Approved Housing Counseling Agency. We are now equipped with credentials that we will use in our work, as we counsel families in need of more information on pre-purchase, rental and foreclosure prevention.
